

REMARKS

By the foregoing amendment, to correct minor errors on page 16, a replacement page 16 has been added to the specification.

In addition, by the foregoing amendment, the claims have been amended delete the multiple dependencies, thereby reducing the filing fee.

Applicants retain all rights to the subject matter covered by the canceled multiple dependent claims by making these claims directly dependent on a single claim. The subject matter now not included in these claims may be reintroduced as multiple dependent claims or as separate independent or dependent claims in the present application or in a continuation and/or divisional application.

Prompt, favorable action on the subject application, as presently amended, is earnestly solicited.

Respectfully submitted,

TAKAHISA KIDA et al.
